MAGNOLIA WOODS
CIVIC ASSOCIATION

A Letter From Our President

Dear Magnolia Woods Neighbors,

 2025 is off to an eventful start! The historic snowfall turned Magnolia Woods into a Winter Wonderland, and the Neighborhood Family Snowball Fight was a highlight. We hope you stayed safe and enjoyed the fun!

In 2024, your Civic Association, with help from amazing residents, hosted favorite events like the Annual Easter Egg Hunt, Halloween Party, and Holiday Social. We also partnered with Kenilworth for the Neighborhood Garage Sale and supported two Hazardous Waste Days with a neighborhood drop-off point.

Big News! After years of advocacy, we worked closely with past-Mayor Broome and our City to secure funding for a critical drainage project near Baird and Highland. Plans and preparations are underway, with construction expected to start in May 2025. This project is vital to the improvement of our drainage infrastructure!

We also continued to tackle other tough issues our neighborhood faced this year. Following the City's approval of the Benton development zoning, the work was not done. We have continued to advocate with the City and the developer to ensure the drainage promises made during the process are kept. Look out for details on an upcoming Town Hall for updates. Additionally, we piloted a partnership with our neighboring associations from Walden, Kenilworth, and the Pond to work with our City officials and elected representatives to address crime and safety concerns. These efforts will continue into 2025.

As always, we cannot do what we do without your support. Please remember to renew your membership, or join us for the first time! We are working to expand our communication network, too. Send an email to brmwca@gmail.com to join our mailing list. Stay tuned via email and social media for updates and opportunities to get involved. Here's to a great year in Magnolia Woods!

Sincerely,

Jennifer Dietz
